Hi Joel,

Has construction started or are the stalls signs still going unused? If there is an urgency like this please call the Field Office Directly at 213.207.3015. I do not always get to my emails in time.

We are working to schedule the clean up of that area along Temple / Silverlake. Our team was out there not to long ago, but this is a chronic location.

Let me know if you want to schedule a quick call to discuss this or any other questions you might have.
